**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more than 2 providers for broadband to encourage competition and development. a monopoly (or duopoly) doesn't help the overall situation, but just gives too much power to these 2 companies to take advantage of their position.

I am consumer and small business owner who supports broadband competition.

thank you
